OFFICER GARY

Really? We came because there is an escaped convict somewhere in this place dressed as Santa.

GRETA

My God he's upstairs. And this long haired guy stole a baby?!

OFFICER KAYA

Fuckin' Binge. Why oh why would they put The Binge on Christmas?

INT. BARNES HOUSE ORPHANAGE - ORPHAN ROOM - NIGHT

57

The orphans are all lined up waiting to talk to Santa.

LITTLE ORPHAN SAMMY

I want the elves to build the perfect family... For all of us. And I'm sorry I called that guy a fucker before. Hope you don't hold it against me.

The other orphans cheer for Sammy's wish.

UNCLE KRIS

Ah, Sammy. Santa holds no grudges. Life works in mysterious ways. But I always say if you keep the faith, anything can happen. The faith was all I had when I was transferred to a new cell for bad behavior and had to spend my nights with a bearded albino who shot a BB gun at a knock-off Mickey Mouse at a flea market in Tampa.

The kids have no idea what he's talking about.

LITTLE ORPHAN SAMMY

You know Mickey Mouse?

UNCLE KRIS

Kind of. This guys name was Mickey The Rat and he used to make cigarettes out of drywall.

The kids are disgusted.

73 INT. HOLDING CELL JAIL - LATER

73

Back into live action... We see a short glimpse of all them in live action still in dance stance. Officer Kaya walks in from the hallway and whispers to Gary.

CONT'D >

OFFICER GARY

Good news folks, we don't normally like to have the holding tank full of singing people on Christmas Eve.

OFFICER KAYA

And if this many people are trying to bail you out then you must be pretty special.

<END

HAGS

This many people?

Gary opens the door and Andrew's family floods in; Seb, Dakota, Deidre, Hector, and Rigo.

ANDREW

Seb?! Mom? Dads?

OFFICER GARY

You said, dads plural?

SEB

Hags called us. We've been looking for you all night.

ANDREW

You have?!

Andrew turns to Hags.

ANDREW (CONT'D)

You used your one call for me?

HAGS

Of course, man!

DEIDRE

We're sorry Andrew. We went back to dinner after you left and everything was completely calm.

ANDREW

Yeah... I saw that.

HECTOR

A calm Christmas is a boring Christmas.
