How Do You Azuna?

Basement

Open in total darkness.

'Goodness, it's dark down here.'

Flashlight goes on (or the lights), showing someone holding an Azuna refill pouch in the basement.

'I Azuna in the basement.'

'Underground moisture and no air flow makes our basement smell musty, moldy & mildewy.'

Sets pod on ping pong table or wherever makes sense.

'Azuna naturally eliminates odors caused by mold, mildew & bacteria leaving our basement smelling fresh & clean year-round.'

'So we actually can use this ping pong table again with Azuna.'
