A digital owl swoops across the building as a group of reindeer gallop across as well. Snowflakes fall. It looks like Christmas!

A line of people wait by the velvet ropes as we land on the news anchor.

**INT. WINTER WONDERLAND GALA - LIBRARY - NIGHT**

Mayor Spengler looks at a NEW FAMILY PHOTO of herself, and  
Kimmi plastered on the screens. It says "VOTE FOR FAMILY!" It  
is clear all their smiles are painfully forced.

A CRACK of a beer can is heard and the Mayor whips her head.

The FAKE SANTA they hired is sipping a beer.

MAYOR SPENGLER  
Excuse me. Excuse me. Santa doesn't  
Binge.

Fake Santa takes another sip.

FAKE SANTA  
Looks like he does!

MAYOR SPENGLER  
OUT. You're out of here right now.

FAKE SANTA  
You want me to leave?

MAYOR SPENGLER  
This ain't *Trivial Pursuit* so I  
wouldn't take a *RISK!*

FAKE SANTA  
What?

MAYOR SPENGLER  
Like the board games!

FAKE SANTA  
No I get that but why are you  
saying it to me?

The Mayor signals to the guard to shoot Santa. He once again  
shakes his head no.

MAYOR SPENGLER  
Just fucking leave, please.
